Summary

As an **innovative Software Engineer**, I built products for web and mobile app users **over 5+ years**, meeting the highest standards for web design, user experience, best practices, and speed. I bring a strong commitment to collaboration and have an excellent reputation for resolving problems and improving customer satisfaction.

As **an active man**, I love sports especially Football, Boxing, and Volleyball.

Work History

Full Stack Engineer / Thought Media (Remote / New York)

MAR 2019 - PRESENT
